

CHORAL

The **Canadian Music Centre** (CMC) is Canada's largest community of professional composers. It promotes, publishes and distributes the music of Canada's contemporary music composers across the country and around the world. With over 800 established Associate Composers to date, the CMC is Canada's primary resource for scores, parts, recordings and information about Canadian composition. It plays an essential role in documenting, preserving and facilitating the growth of Canadian musical culture through its Centrediscs recording label, libraries, events and online social network.
